## Product and packaging information

Having accurate product information available to your customers is essential, be that online or in your catalogues. You can download all descriptions, features and benefits and packaging waste data for our products from here: [hanson-packedproducts.co.uk/product-and-packaging-waste-data](https://hanson-packedproducts.co.uk/product-and-packaging-waste-data)  
It is in Excel format so that you can import it to your own systems quickly and easily.

## Product videos

Being able to show your customers how products can be used helps boost sales. We have developed High Definition (HD) videos which you can use in your social media posts and embed in your websites, all available via YouTube.
