

# GENERAL PURPOSE CEMENT NOW HAS UPDATED PACKAGING

We are always looking for ways to improve our sustainability. With this in mind we have moved to an unbleached bag for General Purpose Cement, which means you'll see a small difference in the packaging design.

- Slightly different colour bag, with black text instead of white
- Product codes, barcodes and bag contents are unchanged
- You may receive both old and new packaging designs over the next couple of months
- Updated images for your website can be downloaded from [hanson-packedproducts.co.uk](https://hanson-packedproducts.co.uk)

For more information, please contact your local sales manager or call Customer Services on **0330 123 4525**
